UNSTARRED QUESTION NO:4828
ANSWERED ON:19.04.2001
CNG OUTLETS IN DELHI AND MAHARASHTRA
CHINTAMAN NAVSHA WANAGA

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) whether the Government propose to set up more CNG retail outlets in Delhi and Maharashtra during the current and next financial years; and

(b) if so, the names of places identified in Delhi and Maharashtra, year-wise with criteria to be adopted separately for departmental and private managed cases?

Answer

Minister of State for Petroleum and Natural Gas (SHRI SANTOSH KUMAR GANGWAR)

(a) Yes Sir. In Delhi 12 more and in Mumbai 17 more CNG outlets are proposed to be set up during the year 2001-2002.

During the next financial year opening of more CNG outlets in the city of Delhi will depend on the demand. In the city of Mumbai 5 more CNG outlets are proposed to be opened for which process of identification of sites is going on.

(b) Names of the places identified in Delhi and Maharashtra for opening new CNG outlets during the current year are given in annexure -`A`. Since the outlets are to be opened and managed by the respective companies themselves, there is no question of adopting any criteria as such for allocation to Departmental and privately managed cases.
